

In Memory of our beloved Velda McDonald

Velda McDonald passed away from us in body but her spirit remains to gladden our hearts.

*A Memorial will be held April 18th in Tacoma at Titlow Park
For more information, see the Clan Donald Northwest website*

Velda was a founding member of the Clan MacIntyre Society, an officer, a hostess to many events held at the "Dutch Embassy", our Clan genealogist and ambassador at countless Highland Games. There isn't a single member of our Society who hasn't been touched by her warmth, kindness and help. Clan Donald of the Northwest and Clan MacIntyre Society mourn her loss. Our love and thoughts go out to the McDonald, Wright family.
